

KASHI INSTITUTE OF PHARMACY

Managed by: JAIN EDUCATION SOCIETY

E-mail: info@kashiit.ac.in. Website: <https://kashiip.ac.in> 1800-123-321-123

Sr. No.	VALUE ADDED COURSES OFFERED
1.	Enantiomeric Chromatography in Drug Discovery
2.	Food Preservation Technology
3.	Methods of Strain Improvement for Industrially Important Microorganisms
4.	Medical Terminologies
5.	Precision Medicine
6.	Basics of SAS Programming
7.	Pharmaceutical Management and Marketing
8.	Herbal Formulation Development and Standardization
9.	Animal Dose Calculation and Interpretation
10.	Interpretation of Vital Signs
11.	Drug Regulatory Affairs
12.	Advance Automatic Titrations in Pharmaceutical Industries
13.	Herbal Cosmetics
14.	Microbial Nanotechnology and Multidisciplinary Applications
15.	Regulatory Authorities in Pharma Sector
16.	Assessment of Laboratory Animals in Drug Discovery Process
17.	Spectroscopy of organic compound
18.	Study of microbial stability of pharmaceutical management
19.	Medicinal plant biotechnology
20.	Bioinformatics role in drug discover
21.	Natural product as lead for New Pharmaceuticals
22.	Pharmaceutical manufacturing and emerging technologies
23.	Pharmacokinetics and pharmacodynamics- A pharmacognosy perspective
24.	Advance Automatic Titrations in Pharmaceutical Industries
25.	Medical Emergencies
