1. INSTITUTION VISION, MISSION AND QUALITY POLICY

VISION STATEMENT

"Empowering Future Pharmacists for Excellence and Innovation in Healthcare" Kashi Institute of Pharmacy aims to foster a culture of innovation among its students and faculty, encouraging them to explore new ideas, technologies, and practices that contribute to the advancement of pharmacy and healthcare as a whole.

MISSION STATEMENT

"Enriching Education, Advancing Healthcare: Our mission at Kashi Institute of Pharmacy is to provide a transformative learning experience that prepares aspiring pharmacists to excel in a dynamic healthcare landscape. Through rigorous academic programs, innovative research, and community engagement, we are committed to fostering compassionate, skilled, and ethical pharmacy professionals who positively impact patient well-being and contribute to the evolution of healthcare practices."

1. **Enriching Education:** Kashi Institute of Pharmacy is dedicated to offering an education that goes beyond traditional learning, focusing on holistic development and providing students with the tools they need to succeed in their careers.

2. **Advancing Healthcare:** The mission highlights Kashi Institute of Pharmacy's commitment to contributing to the improvement and progress of healthcare through the education and training of future pharmacists.

3. **Innovative Research:** Kashi Institute of Pharmacy's dedication to research indicates its aspiration to be at the forefront of pharmacy-related advancements, contributing to the expansion of knowledge and innovation within the field.

4. **Community Engagement:** The mission underscores the importance of connecting with and serving the community, emphasizing the role of pharmacists as healthcare providers who directly impact patient well-being.

QUALITY POLICY

Quality education is institutions motto and institute is committed to excellence in quality in their technical profession

STATEMENTS OF PEOs, POs AND PSOs

PROGRAM EDUCATIONAL OBJECTIVES (PEOs):

PEO1 - PROFICIENT DEVELOPMENT

To develop in the students the capacity to obtain knowledge on Science and Pharmaceutical Science and apply it expertly inside sensible requirements, for example, financial, natural, social, political, moral, wellbeing and security, manufacturability and manageability with due moral obligation.

PEO2-CORE PROFICIENCY

To provide ability to recognize, plan, appreciate formulate, comprehend, analyze, design and solve Pharmaceutical problems with hands on experience in different advancement involving modern tools necessary for pharmacy practice to fulfill the necessities of society and the Pharmaceutical industry.

#### PEO3 - SPECIALISED ACHIEVEMENT

To furnished the students with the capacity to explore, reenact, design, simulate, experiment, analyze, optimize and interpret in their core applications through multi disciplinary ideas and contemporary figuring out how to incorporate them into industry prepared graduates.

PEO4 - PROFESSIONALISM

To provide training, exposure and awareness on importance of soft skills for better career and holistic personality development as well as professional attitude towards ethical issues, team work, responsibility, accountability, multidisciplinary approach and capability to relate pharmaceutical engineering issues to broader social context. To provide the required training in all aspects to the graduates to work as a health care professional in community and hospital pharmacies.

PEO5 - LEARNING ENVIRONMENT

To furnish students with an academic environment and make them mindful of greatness, foster the desire of revelation, imagination, creativity, authority, composed moral codes and rules and the long lasting figuring out how to turn into an effective expert in pharmacy field.

THE PROCESS FOR ESTABLISHING THE PEO'S

The PEOs are established through the following process steps:

STEP 1: Vision and Mission of the Institute & Department are taken into consideration to interact with various stake holders, and establish the PEO's

STEP 2: The Head of the Department, Program Coordinator and other Senior Faculty prepares the draft version of PEOs and POs.

STEP 3: The draft rendition is examined with partners and their perspectives are gathered by the Program co-ordinator

STEP 4: The Program Assessment Committee surveys and dissects the PEOs and POs and presents its recommendations to the Departmental advisory Board.

STEP 5: The Departmental advisory Board deliberates on the recommendations and freezes the PEOs and POs and submits them to the BOG for final approval. The Program curriculum is planned by integrating inputs from members of Board of Studies and Academic council who are drawn from various academic institutions, R&D associations and industry
