Disable Friendly Environment

Kashi Institute of Pharmacy provides counseling for the students with disabilities on the type of courses in which they can do better.

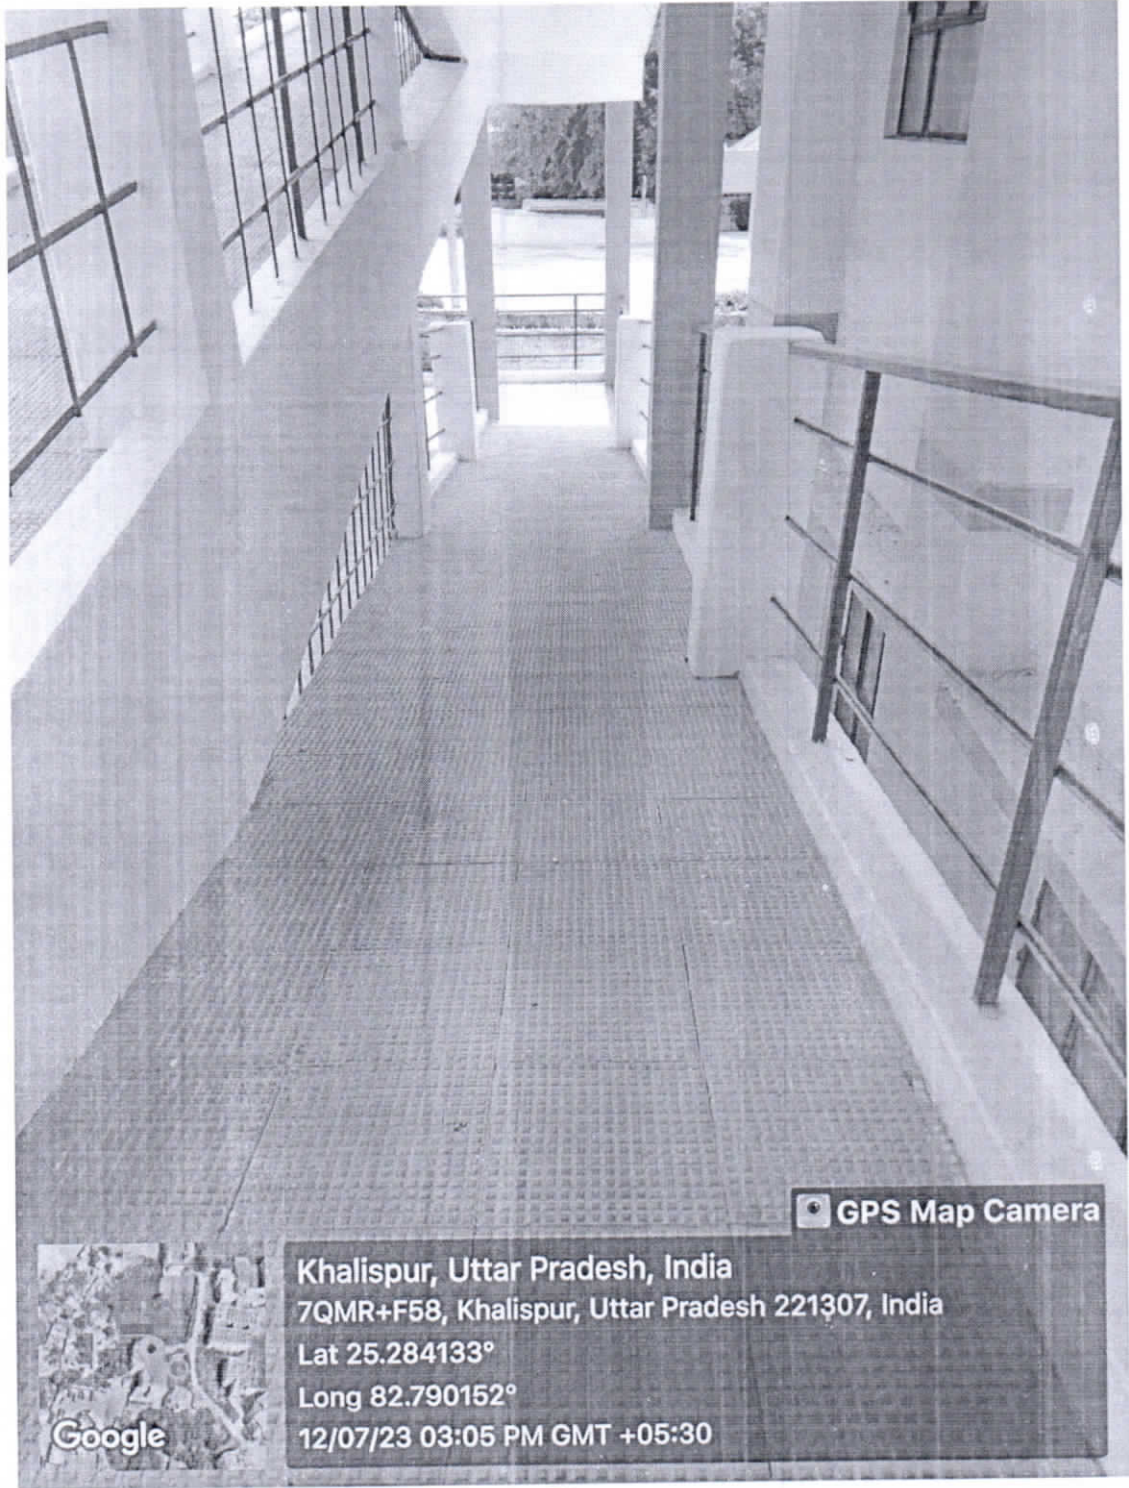

- Ramps, lifts, and toilets are available to make the environment accessible for everyone including disabled persons.
- Facilities are provided time to time as per government policies.
- Specific software is available through which visually impaired students can easily access their study materials online.
- Staff members are trained to handle/ assist persons with disabilities, including persons with learning disabilities.
