POLICY AND PROCEDURE GRIEVANCE REDRESSAL CELL

Grievance Redressal Cell: The Grievance Redressal Cell (GRC) seeks to investigate grievances from any student and take the appropriate action. Students can use the online grievance suggestion form to voice their complaints about any academic or non-academic issue on campus. Through the online grievance suggestion form, the instance seeks to resolve student grievances with the campus regarding specified academic and non-academic matters. Within a given timeframe, the institution attempts to resolve the complaints of the students.

Objective: To further develop the bond between students and the institution, the Grievance Redressal Cell was created to resolve issues from students and other stakeholders within a fair time frame. This is done by providing students with all the facilities they need to be satisfied and to maintain a convenient environment for academic teaching and learning.

Mechanism of the GRC:

1. The Grievance Redressal Cell (GRC) will only take into account specific grievances from staff members and students on an individual basis.
2. No grievance that is collective in nature or that is brought up by multiple staff members or students will be taken into consideration by the GRC.
3. The cell will decide whether to proceed with an investigation and take prompt action after receiving the complaint application and evaluating the case's merits.
4. If necessary, the GRC can settle disputes between the complainant and the defendant against the allegation has been made.
5. Within a fair timeframe, GRC will consider complaints.
6. If necessary, the cell will look for advice from higher-ranking officials and report to the authorities on the cases it has handled.

Scope:

- Students are free to file complaints regarding any related academic or non-academic issues.
- Prompt issuance of transfer certificates, duplicate mark sheets, certificates on additional examination, library materials and scholarship-related topics, including payments for hostel fees and other financial obligations.
- Some concerns regarding the state of hygiene, cleanliness, preparing food, transportation accessibility, instructor mistreatment, and other offensive behaviour.

Procedure for lodging complaint:

- Students can use the website's online process to file a grievance.

- Students are welcome to place their words in the suggestion/grievance box; if necessary, it can be anonymous.
- Cases that are forwarded with the required paperwork will be handled by the Grievance Cell.
