Guest Lecture on Cancer

The screenshot shows a Zoom meeting in progress. The main content is a slide titled "Prevention" with the following text:

Over a third of all cancers can be prevented by reducing your exposure to risk factors.
It can be achieved by following:-

- Choosing your health
- Quitting smoking
- reducing and limiting alcohol drinking.
- Physical activity
- Moderate your exposure to ultraviolet radiation.
- Reducing exposure to Workplace hazards
- Get vaccinated

The slide also features a background image of a hand holding a syringe. The Zoom interface includes a top bar with "MSD Pharmacy is presenting", a "People" list on the right, and a bottom toolbar with various meeting controls. The bottom status bar shows the time as 2:15 PM and the date as World Cancer Day - 4th Feb 2022.
