Respected,
Dr. S. Jha
Professor, Department of Pharmaceutical Sciences
BIT Mesra, Ranchi

Greetings of the Day!

We are pleased to invite you as a **resource person** for the one day National Virtual Conference on "Emerging Innovations and Insights in Pharmaceutical Sciences" on 11th March 2022, Friday organized by Kashi institute of Pharmacy (KIP) Mirzamurad, Varanasi.

The research institute and pharmaceutical industry has an important role in designing and developing drugs. They play a significant role to treat diseases and more importantly to improve the quality of life. KIP provides an excellent platform for the experts in the different areas around the world and aims in sharing some unique research and translational studies on various advances in the related fields. It includes prompt keynote presentations and Oral talks. It is a perfect platform for researchers, scientists and delegates to share experience.

It is an honor and privilege to invite you to participate in this conference as a **Resource Person**. We believe that your contribution to this field is unparalleled and this event will be of great benefit.

We look forward to a positive confirmation, an honor for us indeed.

Kindly give your consent.

Thanking You
Yours Faithfully,

Convener,
Prof. (Dr.) Ashutosh Mishra
Director, KIP

Dear Sir,

I hope this email finds you well.

Thank you for your invitation on occasion of this wonderful virtual conference. As we all know that finding the new drug molecule is a challenging task, the whole concept of drug discovery is to be skill-based advanced technology. There are multiple computational approaches that can make this whole journey easier. This is a great opportunity for me to learn something new in the field of drug discovery.

Thanks and Regards,

Dear Pathak,

Please receive a title and abstract of my talk.

Title: Application of Green Chemistry in Pharmaceutical Industry

Abstract: Green chemistry has now been around for two decades, and it has been making a real difference in our world. The well-known companies and organizations that have embraced

the discipline include Nike, BASF, Hewlett-Packard, the National Aeronautics & Space Administration, Eastman Chemical, United Soybean Board, Pfizer, the Environmental Protection Agency, Bayer Material Science, Codexis, Johnson & Johnson, Amgen, DuPont, and World Wildlife Fund. The global market for green chemistry is predicted to grow exponentially in the coming years, to \$98.5 billion by 2025. The young discipline has produced thousands of scientific papers. Research networks in more than 30 countries on every settled continent have been formed along with at least four new international scientific journals. Green chemistry has been credited for decreasing the amount of chemical waste released to the air, water, and land. It has also spawned new areas of research including green solvents, bio-based transformations and materials, alternative energy science, molecular self-assembly, next-generation catalyst design, and molecular design for reduced hazard. Some industry reports predict green chemistry as the future of all chemistry.

Thanks

Regards

Dr. Gaurav Gupta

About the Institute

Kashi Institute of Pharmacy was established in 2009 with the view to provide courses of study and preparing trained man power in the field of pharmacy in the region. The institute is providing opportunity and environment to the students to exchange their views and updating the knowledge in the field of pharmacy. The institute is now becoming the centre of excellence. It is equipped with modern laboratory and latest equipments with advanced teaching techniques and other essential facilities.

Kashi Institute of Pharmacy (Kashi IP) offers degree course in Pharmacy. The institute is affiliated to Dr. A.P.J. Abdul Kalam Technical University (College Code-6511) and has been recognized by AICTE and PCI, New Delhi.

KASHIP AT THE LAND OF ETERNITY

Va must be land of eternity at the bank of river Ganges and between the river Varuna and Ashu the spring of the noblest human virtue, the ultimate in virtues and the summit-top of the virtues of India is the noblest virtue, not only India but the whole world.

About the Conference

Kashi Institute of Pharmacy (Kashi Group of Institution) is going to organise a one-day National Virtual Conference on "Emerging Innovations and Insights in Pharmaceutical Sciences" on 11th March 2022, Friday.

The conference is an especially one-day event which will provide a multi-channel communication platform that brings together all the healthcare professionals, producers and consumers of pharma world. It is a perfect platform for researchers, scientists and delegates to share experience, foster collaborations across industry and academia and evaluate emerging technologies across the globe.

The Pharmaceutical industry has an important role in designing and developing drugs. They play a significant role to treat diseases and more importantly to improve the quality of life. KIP provides an excellent platform for the interaction between experts in the areas of pharmaceuticals, drug delivery, nanotechnology, biotechnology, and nanotechnology around the world and aims in sharing some unique research and translational studies on various advances in the related fields.

Registration fees (INR): Free

Registration Link:

oNhVLEQA

CERTIFICATE: e-Certificate

will be given to the all participant

Conference Objective

- To create a platform for the education and training of pharmacists to a level of specialization and maintain continuing professional development.
- Advocate on how pharmacy professional looking to develop the pharmacy workforce within a broader context within health care systems.
- Describe the knowledge, skills and the attitudes required for good patient-centered pharmacy practice.
- To identify transformative change in pharmacy education needed to meet the accelerated societal needs including new competencies required.
- To appraise the importance of the evolution of new technologies on society and on the healthcare landscape.

CALL FOR ABSTRACT

We are pleased to invite the all registered candidates for the submission of abstract for poster presentation in the field of Pharmacy. Abstract should not be more than 270 words.

Fonttype: Times New Roman

Font Size: Title 14 font size and bold, Abstract 12 font size and normal, Line Spacing: 1.5

Author name, complete affiliation and email address should be below this file.

The abstracts should be prepared in MS word format and send to sppubha@kashim.ac.in

Poster Size: Standard (120 cm length and 100 cm wide)

The abstract will be reviewed by expert of scientific committee. The scientific committee has full right to accept/reject the abstract of the applicants. No challenge can be made by any person in this regard.

KASHI INSTITUTE OF PHARMACY

ABOUT THE CONFERENCE

Kashi institute of Pharmacy (Kashi Group of Institution) is going to organise a one day National Virtual Conference on **"Emerging Innovations and Insights in Pharmaceutical Sciences"** on 11th March 2022, Friday.

The conference is an especially one day event which will provide a multi-channel communication platform that brings together all the healthcare professionals, producers and consumers of pharma world. It is a perfect platform for researchers, scientists and delegates to share experience, Poster collaborations across industry and academia, and evaluate emerging technologies across the globe.

The Pharmaceutical industry has an important role in designing and developing drugs. They play a significant role to treat diseases and more importantly to improve the quality of life. KIP provides an excellent platform for the interaction between experts in the areas of pharmaceuticals, drug delivery, nanomedicine, biotechnology, and nanotechnology around the world and aims in sharing some unique research and translational studies on various advances in the related fields.

KASHI IP AT THE LAND OF ETERNITY

Varanasi, the land of eternity at the bank of river Ganges and between the rivers Varuna and Assi, the spring of the noblest human value, the ultimate in aesthetics and the summon-bonum of the rich ethics of India is the noblest city of not only India but the whole world.

ABOUT THE INSTITUTE

Kashi Institute of pharmacy was established in 2009 with the view to provide courses of study and preparing trained man power in the field of pharmacy in the region. The institute is providing opportunity and environment to the students to exchange their views and updating the knowledge in the field of pharmacy. The institute is now becoming the centre of excellence. It is equipped with modern laboratory and latest equipments with advanced teaching techniques and other essential facilities.

Kashi institute of Pharmacy(KashiIP) offers degree course in Pharmacy. The institute is affiliated to Dr. APJ Abdul Kalam Technical University (CollegeCode:551) and has been recognized by AICTE and PCI, New Delhi.

CONFERENCE OBJECTIVE

- To create a platform for the education and training of pharmacists to a level of specialization and maintain continuing professional development.
- Advocate on how pharmacy professional looking to develop the pharmacy workforce within a broader context within health care systems.
- Describe the knowledge, skills and the attitudes required for good patient-centered pharmacy practice.
- To identify transformative change in pharmacy education needed to meet the accelerated societal needs including new competencies required.
- To appraise the importance of the evolution of new technologies on society and on the healthcare landscape
- To develop new and innovative ways to attract young pharmacists into all areas of pharmaceutical practice and science.

It Provide an excellent platform for the interaction between experts in the areas of pharmaceuticals, drug delivery, nanomedicine, biotechnology, and nanotechnology around the world and aims in sharing some unique research and translational studies on various advances in the related fields.

This conference open doors for many researchers in academia, clinicians, and industry representatives working in these exciting areas. It is expected to bring together both reputed scientists in advanced stages of their career and young researchers from many related disciplines. This conference expects many ideas to emerge at the interfaces between disciplines aiming to solve the most important problems relating to the health and wellbeing of humanity.

CALL FOR ABSTRACT

We are pleased to invite the all registered candidate for the submission of abstract for poster presentation in the field of Pharmacy. Abstract should not be more than 250 words.

Font type: Times New Roman

Font Size: Title 14 font size and bold, Abstract 12 font size and normal, Line Spacing: 1.5

Author name, complete affiliation and email address should be below the title.

The abstract should be prepared in MS word format and send to snpathak@kashiit.ac.in

Poster Size: Standard (120 cm length and 100 cm wide).

The abstract will be reviewed by expert of scientific committee. The scientific committee has full right to accept/reject the abstract of the applicants. No challenge can be made by any person in this regard.

WHY TO ATTEND?

Pharmaceutical research provides a profitable business opportunity to several pharmaceutical and biotech companies as these technologies have wide application areas such as drug discovery and research followed by New drug delivery systems. With the

arrival of advanced technological platforms, it creates a need for effective bioinformatics tools and services in order to manage and analyse huge amount of data released from these technologies. With this view, the scientific sessions for the conference have been designed which paves a way to gather visionaries through the research talks and presentations and put forward many thought provoking information and therapeutic techniques related to Advanced Pharmacy. Thus, it's a great opportunity to concrete your ideas and meet the experts from across the world.

TARGET AUDIENCE:

- Health professionals
- Pharmacists
- Faculty Members
- UG/PG Students
- Scholars from Pharmaceutical backgrounds
- Researchers from Pharmaceutical Companies, Pharmacy Associations and Societies
- Graduates and post graduates in industrial pharmacy
- Pharmaceutical legislators and regulators

Registration fees (INR): Free

Respected,
Dr. Abhisek Tripathi
Associate Professor, Department of Pharmacology
United Institute of Pharmacy, Allahabad

Greetings of the Day!

We are pleased to invite you as a **resource person** for the webinar on "**World Tuberculosis Day**" on 24th March 2022, Friday organized by Kashi institute of Pharmacy (KIP) Mirzamurad, Varanasi.

We wish to conduct a **Webinar in regards to World Tuberculosis Day** which is observed on 24 March each year, and it is designed to build public awareness about the global epidemic of tuberculosis and efforts to eliminate the disease.

It is an honor and privilege to invite you to participate in this conference as a **Resource Person**. We believe that your contribution to this field is unparalleled and this event will be of great benefit.

We look forward to a positive confirmation, an honor for us indeed.

19. Guest Lecture on Cancer Awareness

The screenshot shows a Zoom meeting interface. At the top left, it says "No. Pharmacy is presenting". The main content is a slide titled "Prevention" with the following text:

Prevention

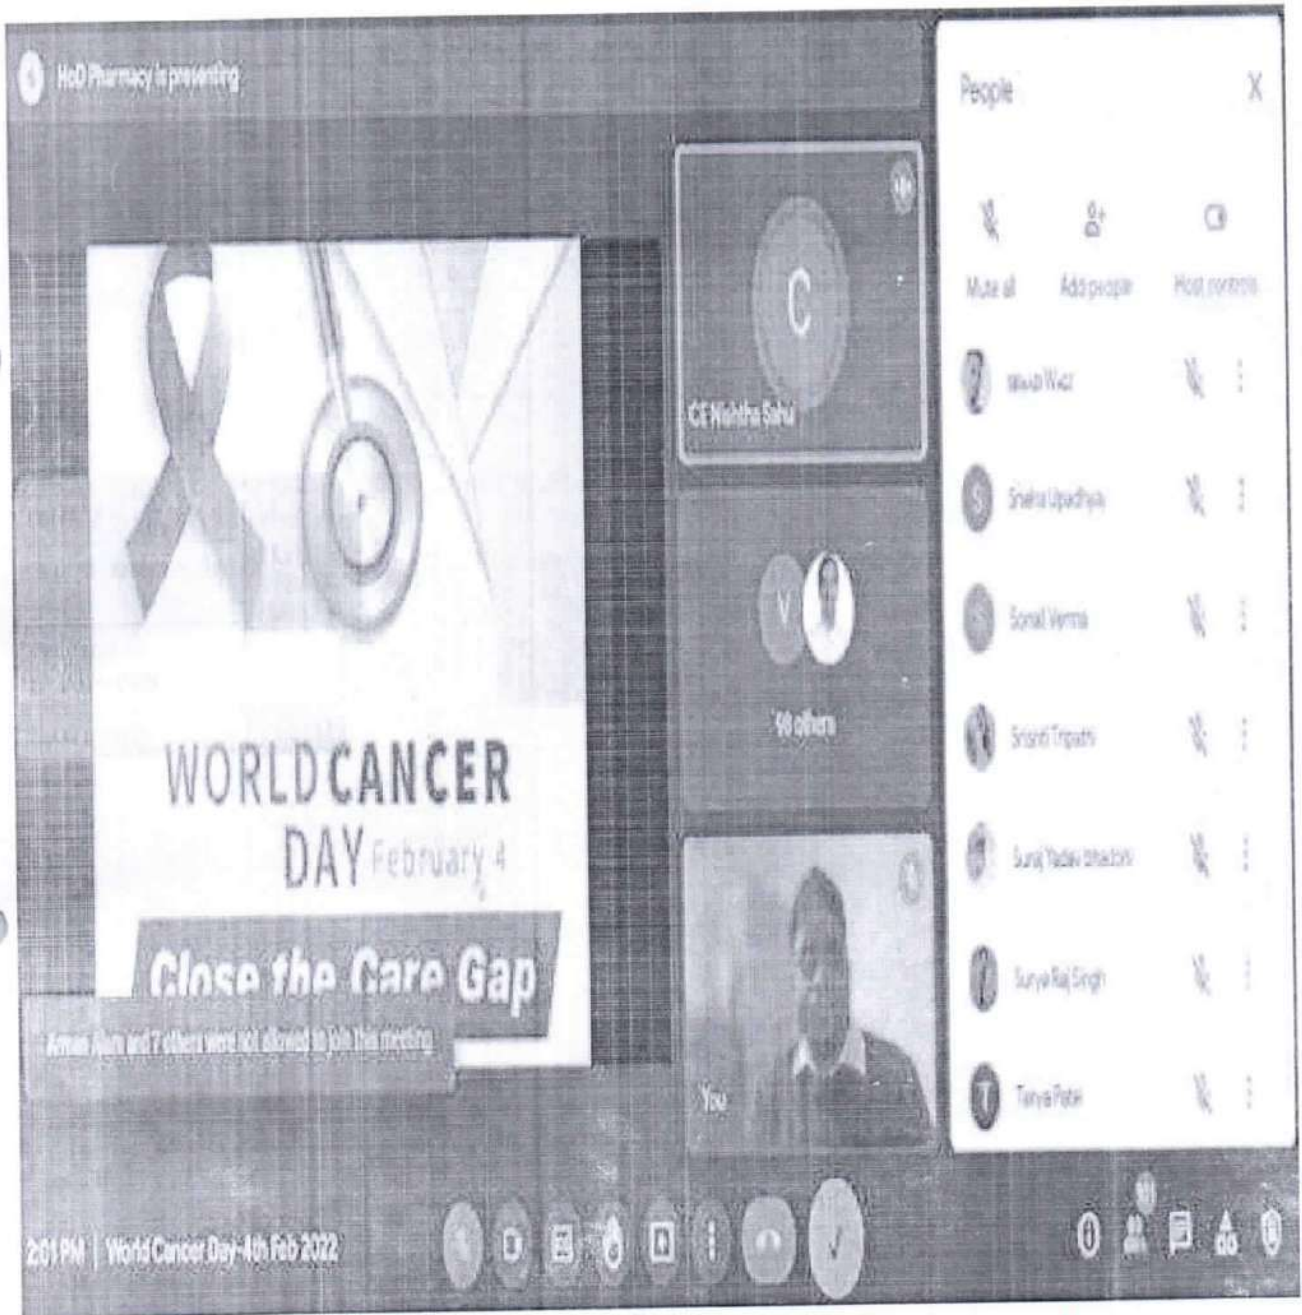

- Over a third of all cancers can be prevented by reducing your exposure to risk factors.
- It can be achieved by following:-
 - Choosing your health
 - Quitting smoking
 - reducing and limiting alcohol drinking.
 - Physical activity
 - Moderate your exposure to ultraviolet radiation.
 - Reducing exposure to Workplace hazards
 - Get vaccinated

At the top right, there is a "People" list with icons for mute, add people, and host controls. The list includes:

- Anand Chaudry
- Anchal Pathak
- Aniket jaiswal
- Aparajita Mishra
- Ashika Mari
- ANUP KUMAR PANDEY
- Anur Kumar Shahi

At the bottom, there is a meeting bar with a timer showing "7:25 PM", the date "World Cancer Day - 04 Feb 2022", and various meeting controls like mute, video, chat, and zoom.

Subject: National Intellectual Property Awareness Mission (NIPAM)

Dear Sir/ Madam,

India is going to celebrate its 75th Anniversary of Independence on 15th August 2022 and on this monumental occasion, a special initiative 'Azadi Ka Amrit Mahotsav' has been undertaken by the Government of India to celebrate our journey since independence.

Under the initiative 'Azadi Ka Amrit Mahotsav', a drive has been launched by our office to impart Intellectual Property (IP) awareness to researchers, as IP can be a very effective tool in attaining the Hon'ble Prime Minister's vision of an Aatmanirbhar Bharat.

We would therefore like to invite your college to avail the benefit of this drive. The awareness session will be conducted by experts from our Office and there will be no financial implications for your organisation. E-certificates will be issued in favour of your college, the participants as well as the coordinators.

In case you are interested, you may respond accordingly via a return email and we will do the needful.

With best wishes,

Shiv Prakash
