Dear Mam,

Ms. Sarita Rawat

Assistant Professor, Department of Clinical Pharmacology

Amrapali Group of Institutions

Greetings of the Day!

As we discussed earlier, we are pleased to invite you as a **resource person** for "World Tuberculosis Day" a webinar on 24th March 2023, Friday, organized by Kashi institute of Pharmacy (KIP) Mirzamurad, Varanasi.

We want to conduct a Webinar about **World Tuberculosis Day** which is observed on 24 March each year, and it is designed to build public awareness about the global epidemic of tuberculosis and efforts to eliminate the disease.

The theme for this year is "Yes We can end TB!"

Inviting you to this webinar as a Resource Person is an honor and privilege. Your contribution to this field is unparalleled and this event will be of great benefit.

We look forward to a positive confirmation, an honor for us indeed.

Respected,
Mr. Pradeep Vishwakarma
Sales Manager, North India.

Greetings of the Day!

We are pleased to invite you as a **resource person** for the one-day national Seminar on "**Current Challenges & Opportunity in Pharma Marketing**" on Saturday, **18th March 2023** organized by **Kashi Institute of Pharmacy (KIP)** Mirzamurad, Varanasi.

Even after several decades, Pharma sales & marketing has not been seriously looked into as a viable carrier option by pharmacy graduates. We are organizing this seminar to declare pharmaceutical marketing as the best among other jobs and to make students aware of it. Overall, this seminar is an effort to inspect and probe the different marketing areas and their limitations which are witnessed by experts in Pharma marketing. It also aims to train and educate our students and to change their view towards Pharma marketing. It is a perfect platform for marketing analysts, directors, managers, and medical professionals to share their experiences and evaluate emerging marketing strategies across the globe. It includes prompt keynote presentations, poster presentations & Oral talks. KIP provides an excellent platform for the interaction between marketing experts and students.

By 2030 (AMRIT KAL), the role of the pharmaceutical industry's sales and marketing workforce will be replaced by a new model as the industry shifts from a mass market to a target-market approach to increase revenue.

It is an honor and privilege to invite you to participate in this seminar as a **Resource Person**. We believe that your contribution to this field is unparalleled and this event will be of great benefit.

We look forward to a positive confirmation, an honor for us indeed.

Kindly give your consent.

Yours Faithfully,

Convener,

REPORT

Date: 12/08/2023

Topic of Event: "FDP on Research Methodology".

Time: 11:00 AM to 01:00 PM

Venue: CRC Seminar Hall

No. of Participant: 40

Activity In-charge: Mr. Sachchidanand Pathak

Brief Objective: To discuss on making Research Proposal and relevant keywords. To highlight on road map of Research Journey

Brief description of Event: Kashi Institute of Pharmacy organized a FDP on “Research Methodology” on 12th August 2023 by Dr. Pradeep Singh Chahar, Department of Physical Education, Faculty of arts, BHU Varanasi, where he delivered his talk on fundamental aspect of relevant research, topic selection, literature review, planning of research, project proposal writing and research paper writing.

The FDP aims at deliberation, sharing knowledge to the target audience about the significance of research skills and current opportunities in pharmacy and sciences by subject matter experts with practical exposure to faculty members and research scholars of all the branches and allied areas. The aim of the FDP is to provide the participants with an opportunity to acquire knowledge about contemporary developments that are taking place in various dimensions of sciences and inculcate and enhance the abilities of the faculty members to carry out independent research, write successful research projects, and finally to enable them for the technical communication considering national/international journal/conferences. Finally, the whole exercise will enhance the multilateral thinking approach & will impart capability to look into Legal affairs with multidirectional approach followed by research and development work.
